WIZARDING AFTERNOON TEA

A MOST ENCHANTING
AFTERNOON OF PASTRIES,
POTIONS AND MAGIC.

THE GRAND, YORK

WIZARDING AFTERNOON TEA

The Grand, once a magical hub for railway travellers, has come alive once more for a long forgotten tradition of Wizarding Afternoon Tea.

In restoring the ritual, something deeper has awakened beneath the building; an old enchantment tied to its past, quietly reactivating the Grand's long-dormant magic.

This year, the hotel feels more alive with enchantment than ever before. Those who visit find the magic has made its way into their own hands. The only question is, what will you conjure?
